Tinkchat

Find out who is thinking of you.

Ever randomly think of a friend or that special someone? Ever wonder how often they think of you? With Tinkchat you can let them know you are thinking of them and they can TINK you back so You always know who is thinking of you.

Tinkchat is for anyone who wishes to communicate in a very minimalistic, but still genuine fashion. It is about connection, about friendship and about strengthening those bonds in a quirky and fun way... cause why not?
